Course: **SOCI-50000 01 - The Art of Revolutions**
Department: **Sociology**
Faculty: **Karl Marx**

By vote of the faculty, all members of the faculty are required to submit to their chairperson at least two sets of student evaluations for each calendar year. The chairperson will forward these to the Provost, who will share them with the Committee on Teaching Staff and Tenure in review of personnel recommendations. In addition, some sets of student evaluations are retained for review by the faculty member but are not submitted to the chairperson or Provost.

Evaluations will be kept strictly confidential and will not be read by the faculty member until after grades are submitted.

The Office of the Provost is ultimately responsible for this procedure, and questions or concerns should be directed to the Provost.
